Since the gallery's first opening in 1975, Hal Bromm has worked closely with a multitude of LGBTQ artists. In honor of the 50th anniversary of the 1969 *Stonewall Riots* that sparked the gay liberation movement, Hal Bromm will display a collaborative exhibition featuring works by the many queer artists the gallery has exhibited throughout the past 44 years. *Honoring Stonewall* is a homage to the unique creativity of the LGBTQ community and will run through 2019 New York City World Pride Month. Thank you to HIV Arts Network for their collaboration and support.
